Mr. Grant: Agency would like to get some clarification from you on the scope of your request, or whether you would be willing to narrow the scope of the request. You seem to be interested in matters relating to the Middle East—perhaps limiting the scope of the request to International Affairs or something like that. Also, are you interested in the list that would have been applicable at the time of his request, which I'm not sure agency could produce, or agency's current list of employees? Thanks

I proposed the following schedule:

December 15, 2017 US Treasury Dept. releases to plaintiff full listing of requested employees per the FOIA request in MS Excel format

December 19, 2017 Status report to Judge Chutkan that the FOIA has been completed, and that there will be no need for further legal proceedings.

Hi, thanks for the reminder.

Many areas of the Treasury Department are now involved in the Middle East. So, while we are particularly interested in OTFI, we are also seeking "all (other) Department of Treasury employees."

If the agency is stating categorically that it cannot produce a list from the year of the request (2012), then we'd be prepared to accept a current listing.
