Dear Mr. Smith:

This is the fourth response to the above-referenced Freedom of Information Act (FOIA) request to the Department of the Treasury (Treasury). The request asked for a list of Treasury Department employee names, job titles, Departments, and phone numbers.

In accordance with the parties' agreed upon schedule, as memorialized in the December 19, 2017 Joint Status Report and Motion to Stay Proceedings, this constitutes Treasury's fourth production in this case. We are releasing employee information current as of the date of the FOIA request (April 24, 2012), per your email to Rhonda Campbell dated December 4, 2017. The phone numbers listed, however, are current.

We are releasing 129 pages of records in part, with redactions pursuant to FOIA exemptions (b)(6) and (b)(7)(c). The production is numbered UST-00000970 – 00001098. This constitutes the employee lists for the Office of the Inspector General, the Special Inspector General for the Troubled Asset Relief Program (SIGTARP) and a partial production for Departmental Offices (it does not include the offices that fall under the Undersecretary for Terrorism and Financial Intelligence).

If you have any questions, please contact Rhonda Campbell in the Department of Justice at 202-252-2559 or by email at Rhonda.Campbell@usdoj.gov

Sincerely,

Richard S. Dodson

Richard S. Dodson
