Subject: Zionist Organization of America - FARA Registration Statements - 1938-Present

Department of Justice/NSD
FARA Registration Unit
600 E Street, NW
BICN - Room 1300
Washington, DC 20004

Dear: Lisa Monaco, Assistant Attorney General for National Security

I hereby request Zionist Organization of America FARA registration statements covering the period 1938- Present. The Justice Department was legally obligated to collect such registrations after [it ordered ZOA to begin registering in 1938](#), but we have been unable to find the materials DOJ is legally obligated to supply to the public on the FARA website. We assume DOJ collected the required statements, but perhaps withheld them from public access, as was the [case of the American Zionist Council](#).

Two ZOA officials, Zalman Shapiro and Ivan Novick, were involved in the organization and operations of a corporation [that illegally diverted up to 593 lbs of government-owned highly enriched uranium](#) from the United States. We would like to examine the declared operations of the ZOA and its foreign principal, the WZO during the period of diversion, since numerous wrongful death suits are now underway in the US courts system against NUMEC.

Please advise when I may visit the public FARA office to review the ZOA filings.
